29 October 2018

To all my patients

I wanted to let you know as soon as possible about my decision to leave The Maltings Surgery. My last working day will be Thursday 20<sup>th</sup> December 2018.

I have been a partner at The Maltings Surgery for 23 years and have seen numerous changes at the surgery including the merger of our two practices (formerly known as No 8 and No 10) and seven changes in practice manager, not to mention the numerous NHS/government edicts! Despite all this change it has been a great pleasure to be your doctor and it is with some sadness that I am leaving.

In the New Year I will be taking on a new and exciting challenge locally, which I am really looking forward to.

The Partners at The Maltings are recruiting more GPs to take over your care and I am confident that you will be well looked after.

Wishing you all good health and very best wishes for the future,

**Sarah Dowling**
